Liberty Communications Now Hiring Broadband Technician/Installer

Basic Job Function:

Duties will include installing and maintaining all types of telecommunications services (including telephone, data, and video), facilities (including fiber and copper), and related equipment. Applicants need knowledge of FTTH Technologies, Calix Access Equipment, advanced WIFI router support/installation and IPTV. This position requires excellent customer service and communication skills; proficiency in use of computers and basic networking; the ability to operate hand tools, cable drop plow, and an ability to distinguish color with normal/corrected eyesight. Need the ability to work in close and confined spaces, and the ability to perform physically exerting tasks with routine exposure to dust, dirt, wind, and temperature extremes. This position is subject to on-call and overtime requirements.

View the full description & requirements at <http://libertycommunications.com/index.php/home/employment>

Provisions listed in this Job Description may be changed or modified by Liberty Communications without prior notice at any time, at the Company's sole discretion.

Please submit a resume and cover letter to apply for this position.
